## Multi-Tenant Properties

We are the premier provider of high-speed Internet access to multi-tenant housing owners in the Charlottesville-Albemarle area. Our goal is to provide you the very best Internet access for your tenants. We have service offerings for businesses and multi-tenant dwellings (residential and commercial). Our quality control standards are high. Our staff is among the best in the area. Our goal is to always deliver reliable high-speed Internet access. Your satisfaction is of paramount importance to our firm.

We deliver high-speed Internet access without any requirement to buy or lease equipment, we furnish all electronics as part of our service. Our service and support is included with each site we connect to based on the number of users in each site. We even manage bandwidth allocation per user so no single user hogs all of the available connection.
